

The Kentucky Department of Labor
Office of Occupational Safety & Health
Division of Education & Training
PRESENTS

FREE OSHA TRAINING IN RESIDENTIAL CONSTRUCTION
FOR

Any Residential Builder or Remodeler in Kentucky

Kentucky OSHA, Division of Education and Training, is seeking residential builders, owners, General Contractors, and sub-contractors including but not limited to: Carpenters, Electricians, Plumbers, Framers, Concrete and Masonry, Sheetrock Installers, Painters, Siding, and Roofing Contractors. The growth of the Unbridled Spirit of Kentucky construction depends on our providing safe worksites for those who are building Kentucky. The Commonwealth is providing FREE OSHA training in residential construction. Ten hours of training will be provided. Please call 502-564-3070 ext. 274 or visit our website at www.labor.ky.gov. That's www.labor.ky.gov. This class is being offered as a make up to those that were unable to attend the previous training in this area.
